Enrollment Up Slightly

Enrollment in Appomattox Co. public schools is approximately the same as that of the past session, according to Division Superintendent J. A. Burke.

As of September 10, total enrollment at the Appomattox and Carver High Schools was 739.

As of the same date total enrollment in the county elementary schools was 1354. This made total public school enrollment of 2,093. As of the same date the past session had an overall total of 2,076.

Enrollment normally shows an increase by October 1. Last year the peak was 2,121.

Local Business Leaders Look to Washington

Announcement of the appointment of Mr. Ralph J. King of the West End Market at Appomattox as Chairman of the Appomattox County Chapter of the NATIONAL FEDERATION OF INDEPENDENT BUSINESS, was made today by Haven W. Kessel, District Manager for the FEDERATION in this area.

Each business or professional member of this organization maintains a voting membership, and is polled by ballot each month on the bills and issues that affect independent business enterprise in the nation.

In an effort to do everything possible to maintain the American way of life and keep our free competitive system of business the business and professional men express their own personal opinion on the ballots each month and turn them over to Mr. King who makes a tabulation of the total number and the manner in which they voted.

This tabulation is sent, with the signed ballots, directly to the desk of Congressman Watkins M. Abbitt in Washington. Inasmuch as all this action takes place before Congressman Abbitt and other members of Congress are required to vote on these debatable legislative issues that are proposed to become law, it is the only manner in which it is possible for Congressman Abbitt to know the personal opinions of his independent business and professional constituents in an organized manner.

The NATIONAL FEDERATION OF INDEPENDENT BUSINESS is a non-profit organization that has the largest individual membership of any business organization in the United States and independent business and professional men of every vocation participate with voting membership regardless of other civic or trade affiliations.

Mr. King opened West End Market in January 1958 in partnership with his father-in-law, Mr. J. R. Shuford, and on August 22, 1960 West End Market moved into its spacious new quarters.

Mr. King is a veteran of the Korean War, having received an Honorable Discharge. He is active in civic affairs in Appomattox, and is currently a director in the Appomattox Junior Chamber of Commerce.

The reason most small-town stores do a small-town business is that they run on a small-town system.

Lawyers sometimes confuse shrewd legal maneuvers with integrity and basic honesty. The two are quite different.

NEWS REPORT FROM TOWN MAYOR

To the Citizens of
The Town of Appomattox:
The regular meeting of the Town Council was held at 7:30 P. M. in the town office on Monday Sept. 19, The regular order of business was transacted.

The Council voted unanimously to continue the garbage and trash collection twice a week, on both Mondays and Thursdays. I would like to remind you fine people again that the Town Employees have been instructed to pick up only the garbage and trash that is in cans (not exceeding a 30 gallon capacity with tops on same). Please give these gentlemen your full cooperation, and everyone meet these requirements, and I feel sure that this service will continue to improve.

A very lengthly discussion was given to the reckless and careless driving problem in the town limits. Let me again plead with all of you good citizens to be most mindful of the proper driving regulations, at all times, thereby doing your part to prevent any accident and insure the safety of our beloved children, The town officers have been given specific instructions to be on the constant alert for any and all persons who may be driving "carelessly and recklessly," and do their best to eliminate this hazard.

During the past three years, while I have served as your Mayor, I have harped continuously on trying to keep our "Town Clean." Let me take this opportunity to thank all of you cooperative citizens who have helped. There is a Town ordinance forbidding anyone from dropping trash and debris and paper on the streets. The fine is a minimum of $1 and a maximum of $5. Beginning on Saturday, Sept. 24, the Town Officers are going to start enforcing this ordinance and on a very strict basis. Everyone please do their part to see that as few summons as possiblr are issued for this violation.

Your counsel and advice on all public matters is welcomed at all times.

C. T. Moses, Jr.,
Mayor, Town of Appomattox.

A. H. S. WINS OPENER; TO PLAY V. E. S. FRIDAY

The Appomattox High School Rebels opened their football season here Friday night at the new school gridiron, by downing a surprisingly strong Amherst High School team 13 to 7.

Before a large crowd of fans, Appomattox scored the first time they gained possession of the ball. G. H. Jamerson, a freshman, scored on a pitch-out from Dickie Guill, which covered 20 yards. G. H. Jamerson also scored the extra point.

Then, in the second quarter, Dickie Guill passed to Johnny Cannda for a touchdown. Appomattox missed the try for extra point.

Amherst scored its lone touchdown in the second quarter on a pass from Benny Bowling to Don Wood.

On defense, Donald Baldwin, Donald Zentner, Gerald Leffers, Freddie Carter and Freddie Wingfield played well. On offense, Dickie Guill, Johnny Canada and G. H. Jamerson did most of the ball carrying.

Appomattox meets a strong Virginia Episcopal School team here Friday at 8:00 P. M., and the local team will be rated as a definite underdog in this game. The Rebels will be outweighed by V. E. S., but the team seems to enjoy playing this school, and they may their best against V. E. S. This should be a good game, and a large turn-out is expected.
